PETITION TO MAKE SPECIAL FOR PENDING APPLICATION

[37 C.F.R. § 1.102(d) / MPEP § 708.2, II]

Dear Sir:

This is a petition to advance the examination and processing of the above-identified patent application. This petition is submitted pursuant to 37 C.F.R. § 1.102(d) and MPEP § 708.2, II.

Applicant has become aware that there are products actually on the market and methods currently in use by others that infringe one or more of the claims currently pending in the present case. Over the course of the last several months, the inventor of the present invention has obtained documentation describing products and services that, after a rigid comparison with the pending claims, unquestionably infringe one or more of the pending claims. In addition, the Applicant has made a complete search of the prior art in this case and/or has a thorough working knowledge of the prior art in this case. Applicant has already made of record all known references related to the present invention.

FIRST CLASS CERTIFICATE OF MAILING

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail with sufficient postage in an envelope addressed to the Assistant Commissioner for Patents, Washington, D.C. 20231
